Experience

Celestials Technology Lahore- Pakistan 2017- Present

As a Frontend Developer at Celestials Technology Company for the past 8 years, I have been instrumental in designing and implementing user-centric web applications. My role involves leveraging modern technologies such as HTML, CSS, JavaScript, and React to deliver high-quality, responsive solutions. I collaborate closely with design and backend teams to ensure seamless integration and optimal performance, consistently contributing to the company's growth and success.

Education

University Of Punjab Bachelor of Computer Science 2012-2016
